

**AMENDMENTS TO THE DRAWINGS**

Please substitute the enclosed sheet 6/7, labeled "Replacement Sheet," for the corresponding sheet presently in the case.

An objection was made that the drawings failed to show the step of inhibiting RDP when the vehicle is operating at GVW. Step 103 in Fig. 7 is amended to state that RDP is inhibited for GVW operation, as described at page 11, lines 24-26, and page 13, lines 1-12.

It is believed that the amendments to the drawings overcome the objection raised in the Office Action. Therefore, it is requested that the drawings be accepted, and the objection be withdrawn.
